

Recorders Meeting (Specimen Fish Committee) December 11th 2013

Agenda

- Attendance
- Minutes of 2012 Recorders Meeting
- Proposals
- Ratification of new records 2013@ September 30th 2013
- Competitions for 2014
- AOB
- Club scales check

Specimen Fish Meeting December 11th 2013 Start 7:30pm

Rarely Weighed Species

All species which, within the previous 5 years account for a total of less than 5 fish forwarded to the CFSA, to have their respective qualifying weights reduced to equal the current Minimum Weights. This will apply to the Shore and Boat sections separately and will amend, as appropriate, the general rule that the Qualifying weight for any specie equates to a minimum of 75% of the corresponding Specimen Weight.

Reason:

Any angler recording a specie which rarely exceeds the current Minimum or Qualifying Weights (or is rarely caught at all) will receive recognition for their capture. In addition, the CFSA Recorder will be made aware of all captures (above minimum weight) of these rarer species. This will result in a more accurate reflection of the current trends relating to the diversity and overall quality of sea angling available in Cornwall.

Proposed: Ralph Elcox Hon. Secretary C.F.S.A

New CFSA Records @ September 2013

Boat

Under 11

Cod	19-7-9	Taylan Brewer	Mevagissey SAC
-----	--------	---------------	----------------

11-16

None

Ladies

Bullhuss	13-4-2	Cath Elcocks	Truro City SAC

CFSA Competitions for 2014

1. Boat Skippers Trophy-all year
2. Easter Shore Comp March 18th/21st
3. Easter Boat Comp-May 17th/25th
4. K.J. Holman Memorial Trophy-shore teams of 4: April 26/27th and October 25/26th
5. Closed Dinghy Comp-all of June-up to 18ft boats
6. Closed Boat Comp-all of July
7. CFSA Junior Festival -all of August
8. CFSA Ladies Shore Comp-all of August
9. Fish of the Month Final -Shore- Sept. 21st
10. Fish of Month Final- Boat- all of September
11. Open Boat Comp-all of October
12. Xmas Shore Comp-December 6/7th
13. WMN Final November 23rd

CFSA Weights List for 2014

The formula method has now removed for calculating the weights list.

On the whole the current weights list does seem to be fairly in tune with trends but there are some exceptions. The following procedure will give clubs the chance to change what weights they think needs updating.

All clubs will be sent a list of current Specimen and One Day Weights lists together with sections for your clubs proposed weight changes. All clubs can propose weight changes to **a maximum of seven species from each section (Boat and Shore)**. These lists must be sent back to the CFSA Recorder together with your proposals. The proposed weight changes (if any) will then be averaged out and sent back to each club for voting on at the recorders Meeting.

I'm not having a debate on every individual species from both boat and shore on specimen and one day weights. We will not be going through the weights list in its entirety at the meeting.

Also we need to set a fixed term for the new weights list either 2,3,4 or 5years before it is reviewed and voted on again. There is a section on the shore specimen weighs page so you can propose your clubs preferred term, so please fill it in.

The deadline for returning your clubs proposals to the CFSA Recorder is November 21st .

They will be emailed to club recorders and/or sent by post. A copy will be available on the CFSA Website, in both Microsoft Word and PDF format.

These can either be emailed back to the CFSA Recorder or posted

Email adrianhill@redruth.cornwall.sch.uk
