2016 CFSA 4 a side Knockout Final

The first leg fished in September has resulted in ECC Ports SAC carrying a very small lead over Raleigh SAC , so all to fish for in the October second leg with Raleigh having the home advantage.

2016 Junior Boat and Shore Festival Presentation

The presentation preceded the General Meeting and, unfortunately three recipients were not in attendance to collect their tackle prizes.

Could representatives of Arron Prisk and Harry Pollard, both of Looe SAA and Taylor Brewer of Mevagissy SAC please contact myself to arrange for collection of the prizes.

General Meeting held at the St Dennis Working Mans Club on Friday 30th September 2016

Fifth teen persons were present , representing eight clubs and four Executive, clubs present were: Camborne AA, ECC Ports SAC, Grenville Arms SAC, Padstow & Dis SAC, Redruth SAA, St Columb SAC, St Mawes SAC, Personal and Life Members.

2016 specimen Fish Committee Meeting

This will be held at the St Dennis Working Man's Club on Friday 11th November and clubs may bring their scales for testing against the Federation Scales from 6pm onwards with the meeting commencing at 7.30pm.

2016 Annual General Meeting

This will be held at the St Dennis Working Mans Club on Monday 21st November, all clubs have been issued with the agenda and the proposal from St Columb SAC, and would all members holding trophies please return them at the meeting.

Western Morning News Final 12th/13th November 2016

All those who have qualified for the final have been issued with the full details and fish may be weighed in with a pre-nominated club recorder who's name should be given to Mr Simon Toms at least a week before the competition commences

CFSA 2016 Xmas Shore Competition

This again will be held as an open competition including a 2017 Western Morning News qualifier and the full details will be on posters in tackle shops and on the website in the near future.

CFSA Shockleader

Through the pages of the 'Shockleader' I would like to thank on behalf of the Federation , Gary of West Cornwall Angling, Penzance and Roger at Rogers Tackle, Bodmin, for their many years of supporting the Federation through advertising in the 'Shockleader' which they have now decided they are no longer able to continue.

A decline in sales due to anglers purchasing from suppliers 'up country' and plus, in Rogers case, the horrendous road works in Bodmin, which has curtailed his sales by 75% are outlining factors. Dave and Chris at Mevagissey Shark and Angling Centre, and Rich at the County Angler, Truro, have retained their advertising in the 'Shockleader', which has been over many years, so many thanks to them fro there combined support.

Mr Graham Bray of Camborne Tackle has taken up an advertising slot in the 'Shockleader' and if you want your local tackle shop to be there for you , please use them or lose them !

CIFCA Recreational Sea Angling Public Meeting

Will all members please make an effort to attend this meeting which is being held at the Kingsley Village on Tuesday 18th October commencing at 7pm

The Cornwall Inshore Fisheries and Conservation Authority wish to discuss th priority issues which Recreational Sea Anglers would like to see addressed.

The key measures that Recreational Sea Anglers would like to see Cornwall IFCA put in place to tackle these issues and can support these changes.

The meeting will also give an opportunity to provide an update on recent changes in legislation and to answer any questions.

All are welcome to the public meeting and there is no need to book a place, however, if you would like any further information please contact Cornwall IFCA on 01736 336842

or email angling@cornwall-ifca.gov.uk

Marine and Coastal act 2009

River and Estuarine Fishing nets Byelaw 2017

Notice is hereby given: Cornwall Inshore Fisheries and Conservation Authority (IFCA) intends to apply to the Minister for the Department for Environment , Food and Rural Affairs for the confirmation of the River and Estuarine Fishing Nets Byelaw.

Byelaw: The River and Estuarine Fishing Nets Byelaw 2017 has been proposed to balance the different needs of persons exploiting Sea Fisheries Resources in the tidal parts of rivers and estuaries by prohibiting most net fishing methods.

It also provides additional protection from netting for Sea fish, Salmon and Sea Trout, including juvenile and spawning stocks.

Landing nets may still be used, ebb nets, Sand Eel seines are also permitted subject to certain conditions and geographical restrictions.

Manacles Marine Conservation Zone

(Fishing Restrictions) Byelaw 2017

Notice is hereby given: Cornwall Inshore Fisheries and Conservation Authority (IFCA) intends to apply to the Minister for the Department of the Environment, Food, and Rural Affairs for the confirmation of the Manacles Marine Conservation Zone (fishing restrictions) Byelaw.

Byelaw: the Manacles Marine Conservation Zone (fishing restrictions) Byelaw 2017 has been proposed to protect the conservation features of the Manacles MCZ by prohibiting the use of bottom towed gear throughout the site.

I would urge every angler and club to respond to the IFCA netting Byelaw and request that all netting and longlining within the full estuary limits are banned.

The Byelaw intends to allow ebb netting in many estuaries where it has been previously been banned and also longlining will also now be permitted in the Fal and Helford where it has been banned for many years, and which if it comes into force, will decimate the stocks of Bull Huss and Thornback Rays and other species.

Please email or write to CIFCA or the MMO with your comments and concerns regarding the proposed Byelaw.

A full text of the above Byelaw can be inspected at/or obtained from Cornwall IFCA, Chi Gallas, Hayle Marine Business Park, North Quay, Hayle TR27 4DD, which is the address to send your written comments and concerns or view via the CIFCA website at www.cornwall-ifca.gov.uk and email your comments and concerns.

The maps of the estuaries and their proposed netting restrictions are enclosed with this shockleader,

Please note the closing date for your email or written concerns and comments should be with the above organisations by Thursday 29th September 2016
