

Tintagel SAC held its annual open shore competition at the weekend and it was extremely well supported with 88 anglers participating.

29 fish were brought to the scales with 12 fish over 100%. First prize of £200 went to Tintagel SAC member Nigel Rundle with a pollack of 3.455kg (169.28%)

The club would like to thank all the sponsors, the various sign on venues, all the anglers that participated and Ian and Felicity of the Wootons Hotel for their hospitality.
